

## Features & Benefits

### Fine Fan Spray

High quality fan spray spreads evenly and perfectly. Ideal for home & professional cooking.

### Propellant-Free & Non-Pressurized

Free your brands from problematic propellant gases and high-pressurized packaging.

### Filter system

The special filter prevents the system of clogging and makes it possible to dispense thicker substances like olive oil or other more viscous liquids.

### Refillable

Providing sustainability for your brand.

### Re-fill bottle

The re-fill bottle provides means to stay connected with your consumer, increases sustainability & saves costs.
