

Features & Benefits

Fine Mist

High quality mist-like-spray spreads evenly and perfectly. Dedicated to the needs of personal care products.

Propellant-Free & Non-Pressurized

Free your brands from problematic propellant gases and high-pressurized packaging.

Continuous spray

Repeated actuation creates an endless spray allowing large areas to be covered quickly and easily.

Refillable

Providing sustainability for your brand.

Re-fill bottle

The re-fill bottle provides means to stay connected with your consumer, increases sustainability & saves costs.

Safety lock

The sliding lock on top of the head ensures no accidental spilling when not in use.
