

Features & Benefits

Fine mist

High quality mist-like-spray evenly and perfectly on all surfaces. Ideal for disinfectants and cleaning formulas for e.g. refreshing textiles, cleaning seats & tables.

Propellant-Free & Non-Pressurized

Free your brands from problematic propellant gases and high-pressurized packaging.

Continuous spray

Repeated actuation creates an endless spray allowing large areas to be covered quickly and easily.

Compact size

Ideal as carry-on item due to size, volume and integrated safety lock.

Re-fillable

Providing sustainability for your brand.

Re-fill bottle

The re-fill bottle provides means to stay connected with your consumer, increases sustainability & saves costs.

Safety lock

The sliding lock on top of the head ensures no accidental spilling when not in use.
